

SCHOOL ACHIEVEMENTS

THANK YOU SO MUCH FOR COMING

We can't believe it's been almost 2 weeks since the Coffee Morning!!

I just wanted to say a huge **'thank you'** to everyone who supported us this September by coming along for a cuppa and a natter with friends. The children thoroughly enjoyed participating in this yummy event! A special **'thank you'** to Isla Cunningham in P7 for taking on the great responsibility of organising, preparing and running the Coffee Morning – thanks to her and her team the event was a great success!

We are very proud to announce that we managed to raise a staggering £233.31

Every penny will go towards making sure Macmillan provide vital support to people living with cancer across the UK.

SCHOOL ACHIEVEMENTS

Formartine Beginning to Blossom 2017

Formartine Beginning to Blossom was introduced in 2009 for primary schools. The competition concentrates on sustainability rather than floral display – with the support of Mrs Watson (Abby's Mum), the pupils and the staff at Arnage School – I am delighted to inform you that our school was awarded the 'Silver Gilt Award'.

Judges' Comments - The judges commented that they were impressed by the high level of entries received and the imagination used for recycling. 4 children from the senior class gave a presentation to the judges while touring the school grounds, highlighting the tremendous amount of work that has been undertaken this year. Upon feedback, pupil enthusiasm and mature approach was noted as impressive, as were the displays and projects undertaken.

Our Target - Arnage School is determined to attain the Eco-Schools international award green flag, which is designed to encourage whole-school action on sustainable development. If this is something you wish to participate in/support us with, please do not hesitate to get in touch.
