

Arnage Primary – How Good is OUR School

Our staff are caring and help us to feel safe in school. We feel happy, safe, respected and included within our school community

Parents:

*"We have had great guidance and support from all staff, lovely home from home atmosphere"
"[There is] encouragement towards pupils to try new things and develop further"
"We feel that the school is a safe environment. It is clear that XXX feels respected and has a sense that she should respect herself, others and that others should respect her."
"Staff are always very welcoming and supportive to any day to day ... requests that we have"*

Pupils:

*"The adults take you in and give you first aid if you are hurt"
"If you're upset the teachers would look after you and distract you"
"They are here to help and listen to us"
"They help us when we are stuck on a question or if we fall"
"They make us included and happy"*

Mr Craig:

There is a real sense of community in our school. It's good to know that children feel safe, included and respected. This year we will revisit our school's vision and aims and look at how these values help to underpin everything we do here at Arnage.
